income - \$8700
festival/century
expense - 27,000 (DCR grant money for trailwork)
mtb festival
trailer
century

Weekly rides

Tues night ride fixed gear - gravel roads 1/2 - 2 hr ride county, headlight and flashy
Wed night ride - Kyle
Sat AM rides
Sunday casual rides
ride in a roller rink?

annual century

Century wrap up meeting at Arts house on Chestnut 11/10

Saturday trailwork in the GWNF

Six-pack downhill rides - had a crew every saturday for the entire six pack season - 5 diff people to commit to diff weekends. 4 and 5 trails, continue to style Lynne in spots, DCR trails, Road Hollow, timber ridge and did some brushing.

Blue Ridge Cyclocross Cup

Series is over - came out strong and the burg was dominating early but it fizzled. Although apparently we did end up winning.
If you're not doing cyclocross you should.

Thomas - MBT festival wrap up

all the details are in my computer, which he doesn't have
overall the festival was a good time - good weather. 140 register, down from last year but there was a good vibe.
\$3500 raised
Close to that as well in donations, sales, gear swap money from registration, nut pass sales
250 volunteer hours of trail work on Wolf - finish work on DCR grant trail
it was really great - 5-6 coordinators

SVBC marketing business cards

Basil has been working hard on keep up with the nut passes. Massanutten is closed. Kyle has a bunch of passes.
board members have the passes.

Help out on the SVBC Board

board positions open let us know if you want to help out please let us know

Advocacy

sharrow markings on dogwood, main st. have been extended to pleasant hill road
cantrell to pleasant hill road - street gets repaved up to mosby.

DR 100 event that raised 16-17K bicycle/ped improvements in the county - steve tomasi and SVBC applied for a 10K grant to bikes belong. there's some sort of

county - same proposal for the same grant - if you're a county resident and call your board of supervisors - Bill Kyger is on board with it, but you have to let you members know.

Awareness ride North Fork about the Wilderness area.

100K Trailwork Grant Update

10K on mud pond and the blueberry trail - made some berm options on the descent. project spread out over 9-10 locations.
wolf, tearjacket, camp todd reroute, north river switchback, chestnut, narrowback, blueberry mud pond.

Etc.

kids mountain bike class - harrisonburg parks and rec. Dan Fudala,

unofficial six pack results - 16 year tradition

bike subcommittee - nov 22nd 6pm - there is an email list. 4 bus ads on city transit buses that talk about bike safety
Davis delegation met with folks in charottesville - there's a 1.5 charlottesville tomorrow website - check hburgnews.com

We have a highway and it needs to be cleaned - Amberly rd - 9:00 saturday after next (nov 20th) 1 hour.
