## THE TRIPPING CORNER by norm gulliksen

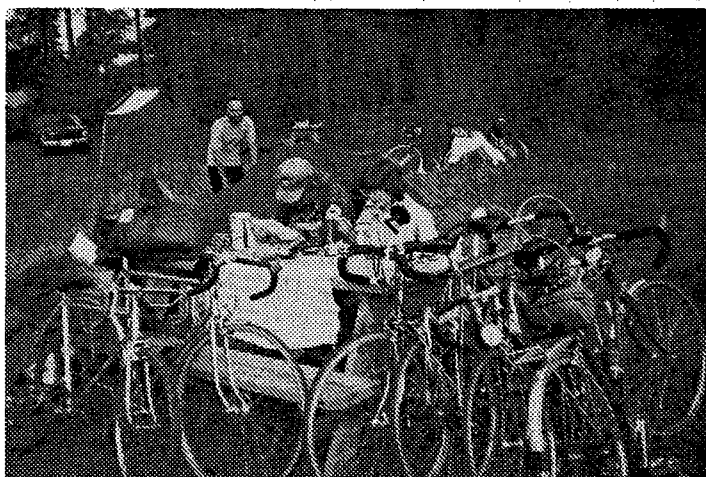

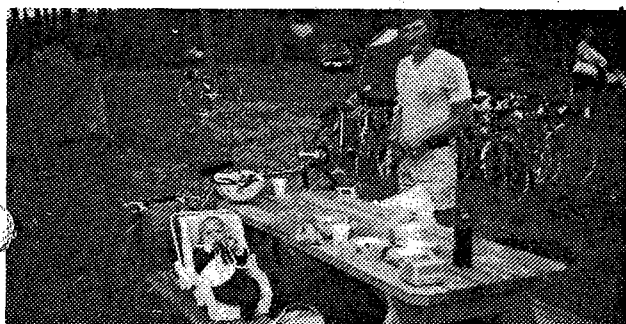

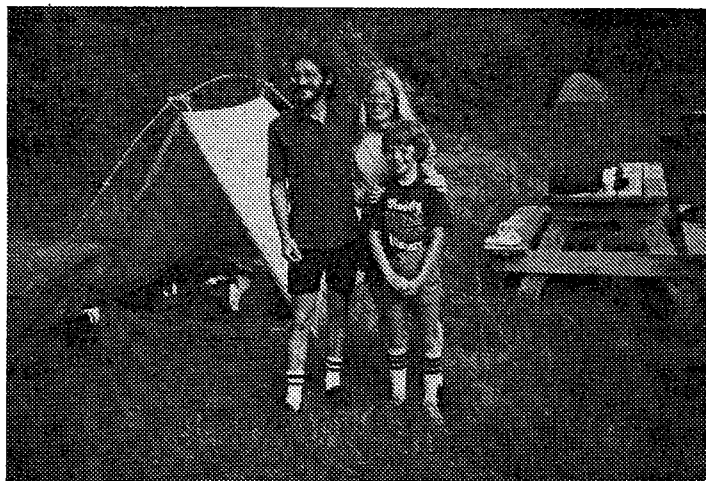

### AGVITHH - 2

Annual Great Valley Interstate Tour Harrisburg - Harrisonburg, August 26 - 28, 1983. This tour is sponsored by The Patriot News Co., and the Harrisburg Bicycle Club. A registration form will soon be available in the Daily News Record.

The SVBC has made arrangements for the end of the tour. Allen Litton will shoot pictures at Court House Square, riders can use showers at HHS, and a Shenandoah Valley pork barbecue, prepared by V. K. Begoon, will be served at Shelter No. 3 in Westover Park. All SVBC members, not riding AGVITHH - 2, are invited to the barbecue. Serving time will be about 3 - 5 P.M., Sunday, August 28. Meal tickets, \$5, will be available at Mark's Bike Shop and Back Alley Bikes. Plan your own appetizer ride and then join AGVITHH - 2 activities.

### CHESAPEAKE TOUR

The tour was "great" and will be repeated in 84 with route modifications to allow for more time at Assateague. There were 14 trippers, including 7 month old Beth Phillips. V. K. drove Sag. Weather behaved until the last 25 miles. Then the riders experienced about 2" of rain. The food was second to none. Barbecue pork chops, by V.K., Friday and a "gala event" at Bill's Sea Food Restaurant in Chincoteague, Sunday. Every one came back with shades of tan. Total miles 200.

## **THE RACERS EDGE** by bruce werner

SUBC (which actually stands for "Soggy Valley Bicycle Club) had another rain drenched event on May 21. This resulted in a small field. Real small; like one rider. In spite of the elements, the one entrant, Glenn Miller, turned in a sizzling 23:32 time, a new club record.

Our next event will be held on June 7 at 6:30 p.m. at the same location.

Hill climb coming up! Challenge the Blue Ridge Mountains on June 18 at 8:30 a.m. All classes welcome. Riders will be timed. Meet at the intersection of Route 33 and Route 340. Finish line at the Skyline Drive entrance.

### COMMITTEES FORMING:

Three committees are being organized in the areas of rides, meeting programs and safety. If you have an interest in these committees and want to help the SVBC become a club everyone will enjoy contact any club officer for further information.

## LEAGUE OF AMERICAN WHEELMEN

The league is an organization for all bicyclist. They are an active voice for the cyclist in State and National government. Over 500 clubs are affiliated with the LAW and with the membership directory you can plan a trip almost anywhere in the country. You will receive the American Wheelmen magazine which alone is worth the membership fee.

---

### IT'S SUM-SUM-SUMMERTIME

Celebrate the Summer Solstice with the Winchester Wheelman. On Saturday June 25, 1983 riders can test their mettle on either 25, 50, or 100 mile course. For application forms contact any bike shop or pick them up at the June meeting.

### MONTHLY MEETINGS A POSSIBILITY!.

It was suggested at the May 10th meeting that an amendment to the SVBC bylaws be made to read the meetings be held monthly on the second Tuesday instead of bimonthly. We are a social organization and several members have indicated we should get together more often. A vote on the amendment will be at the July meeting. We will include ballots for absentee votes in the July newsletter.

the SVBC Chesapeake Bay Tour!

## WE NEED ARTICLES

If you have something to say, within reason, about bicycling why not submit it to the newsletter for publication. How about that favorite ride or the time you beat Bernard Hinault in a sprint. Dimensions for typing column widths are 3 1/2 or 7 1/2 or you can print it neatly and give it to one of the club officers by the 15th of the month for the next months newsletter.

The cost of this publication is partially funded by Back Alley Bikes and Mark's Bike Shop.
