RECOGNIZE YOURSELF

Some members keep their organization strong, while others join just to belong.
Some volunteer and do their share, while some lie back and just don't care.
On meeting nights some always show, while there are those who never go.
Some always pay their dues ahead, some get behind for months instead.
Some do their best, some build, some make; some never do--just sit and take.
Some lag behind, some let things go, and never help their group to grow.
Some drag, some pull, some don't, some do!
Consider, which of these are you?
