SHENANDOAH VALLEY CENTURY

On Sunday, September 9th we will be sponsoring the 19th Annual Shenandoah Valley Century. This annual event offers rides of 25, 50 or 100 miles in length and attracts riders from throughout Virginia and beyond. See insert for more details and registration form. The Century Committee has been hard at work sending out information to other bike clubs and shops, distributing posters and brochures, and planning the various details that are required.

Since the Century is right around the corner, it is, of course, time for me to make my annual plea for helpers. As always, we are in need of a few good cyclists (or non-cyclists) to function as registrants, parkers, sag drivers and check point workers on the day of the ride. Volunteer for a half or full day – the feeling of satisfaction you gain for helping your Club will remain with you for weeks. You will exhibit a warm glow to others, and … O.K., enough of the rhetoric. If you think you can help out some on September 9th, please give me a call (433-9247) or e-mail me at fovarg@aol.com.

Please pass the word about our Century and encourage your friends to come out. Also, remember that homemade baked goods at the end of the ride is one of our highlights, so please bring your best to Shelter #11 in Hillandale the morning of the 9th, or to my house the evening before (I promise not to sample).

CLASSIFIEDS

FOR RENT: Tricosports bike case/carrier. Good for transporting your bike on plane, train, or bus anywhere in the world. Contact Dick Wettstone at 434-9430 (work) or 433-4884 (home).

FOR SALE: 1996 Cannondale R500 Compact road bike. 49 cm, built for women or smaller men, on 650C wheels. Shimano RSX Triple chain-ring with STI shifting. Very nice bike, not ridden much at all, maybe 50 miles total. EXCELLENT condition! Paid $850 new at Rockfish Gap Outfitters. Need to get a good price – the bike is practically brand new - even tires are in decent shape (Continental Grand Prix). (David Taylor at Rockfish Gap is going to tune it up good for the new owner.) Call Andy at 540-234-9095 or e-mail him at ringgold@cfw.com.

WANNABES

Are you a C-pace rider (10 to 12 mph) who would like to become faster, smoother, and/or more efficient but you're not really sure how to accomplish your goals? Have you just gotten into cycling and want to see what cycling with a small group is all about? Then come out and join these rides. Together we will work, train, and have a good time on our bikes and hopefully, help you meet your cycling goals. We will talk about some of the ways that may improve your riding skills and your speed--techniques that have worked for leaders and that they continue to use. We will share with each other our experiences and help each other to become better riders. The rides will start at a C-pace with a distance of 10-15 miles. At a later date, the speed and/or distance will gradually increase (along with a more challenging terrain) based on the needs to the group. These rides are learning/training rides but also FUN rides and at no time will anyone be dropped. So come out, train, learn, and have fun!! We promise that everyone will learn at least one new way to improve your cycling skills. Check the monthly Ride Schedule for the dates/location/time. Call Alice Stecker (564-1611) or Marcia Lamphier (432-3312) for more information.
19th Annual Shenandoah Valley Century

Bicycle rides of 25, 50, or 100 miles through
the scenic and historic Shenandoah Valley of Virginia

Sponsored by the Shenandoah Valley Bicycle Club

The Shenandoah Valley Century is a special bicycling event sponsored in conjunction with a
number of bicycling organizations nationwide that are offering similar rides during September.
The term “century” refers to the longest ride being 100 miles (a century of miles). Century rides
originated in the late 1800’s. Cyclists would attempt to ride 100 miles in under 10 hours. Now,
rides of various lengths are offered to suit all abilities with no time limits set.

We invite you to join us and others on the SHENANDOAH VALLEY CENTURY for some of
the finest cycling to be found. Scenic vistas, small towns, beautiful farms, quiet roads, and more.
All routes are paved and have low traffic volume. Participants ride at their own pace; the event is
not a race. Maps are provided and the route will be patrolled by automobile sag to provide
assistance as needed. A food and drink stop is provided every 25 miles and at the midpoint of
the 25 mile ride. At the end of the ride, bicyclists are treated to a variety of baked goods donated
by the Shenandoah Valley Bicycle Club members.

To avoid delays in waiting for the sag, be prepare to fix minor repairs yourself, e.g. a flat tire.

DATE: Sunday, September 9, 2001
TIME: 100 mile ride: registration 7am; start 8am
25 & 50 miles: registration 9am; start 10am
PLACE: Hillandale Park shelter #11
Hillandale Avenue
Harrisonburg, VA
COST: Individual $8 pre-registration (see registration form)
Family $20 (3 or more family members)

Registration includes route map, marked route, route patrol, mechanical help, food and water
stops during the ride, and after ride treats. Massages and patches from the League of American
Bicyclists (a national bicycling organization) will be available after the ride for a nominal fee.
ANSI OR SNELL APPROVED HELMETS ARE REQUIRED.

Harrisonburg is easily reached from the north or south via I-81. Hillandale Avenue is off Route
42 (South High Street) on the western side of the city. Parking in Hillandale may be limited.
Additional parking is available at the nearby Food Lion and other locations.

RELEASE: In consideration of the Shenandoah Valley Bicycle Club sponsoring a tour on the above 
date, I state:

1. I shall be ______ years of age on the tour date and have no physical or other limitations 
   preventing me from riding a bicycle on this tour. Furthermore, if I am under 14 years of age, 
   I will ride with an adult over 18 years of age. Name of adult ____________________________

2. I have inspected my bicycle for this tour and I know it to be in reasonably good and safe condition for this tour.

3. I have adequate and reasonable knowledge of what is prudent and safe bicycle riding and shall ride in that 
   manner, for my own protection, and for the protection of others.

4. I agree to check in with those operating the tour at the end of my ride so that they will know when I am finished 
   on the tour route. Furthermore, if I quit my ride on the tour before completion, I agree to inform those operating 
   the tour that I am finished.

5. In signing this release for myself, or for the named entrant, I understand that the Shenandoah Valley 
   Bicycle Club, club officers, club members, the League of American Bicyclists, the City of 
   Harrisonburg, and any others connected with this event are not responsible for, and are not insurers 
   of, my personal safety during the ride. I recognize that bicycling on the roads may be hazardous and 
   that various dangers such as rough roads, railroad tracks, etc. may be encountered.

6. In case of cancellation due to means beyond our control, a full refund cannot be guaranteed.

Here’s a picture from the Joe Hiney Memorial Ride held in May.

The Virginia Bike Federation, of which the Club is a member, has a bike route section on their web site. And it’s growing. The bike route section can be found at http://vabike.org/var.htm. You can help with this project by sending in some of your favorite point-to-point routes. Also, if any of the current list needs updating, let them know. Or, just do the ride and give them a ride report on it.

Ever wish you’d never have a flat? Then check out - www.amerityre.com. It boasts a flat-free bike tire.

Shannon Jenkins, a Club member from Luray who last year took us on a ride on the Skyline Drive, was hit by a truck/camper up on that same road back on June 5th. She is recovering from a broken shoulder (two places) plus elbow. It may be five to six months before she can return to cycling. We all wish her a speedy recovery.

VDOT’s Commonwealth Transportation Board (CTB) finalized its annual selection of projects for federal funding under the TEA-21 Transportation Enhancement Program. A list of all 119 project awards totaling $20,288,000 is posted at http://www.vdot.state.va.us/info/CTB/default.htm (click under June 2001 CTB meeting). Statewide, bike-related projects accounted for 20% of the awarded projects (24 of 119) and 17% of the awarded funds ($3,469,000 out of $20,288,000). In the Staunton District, there were two bike-related awards out of 16 total. The City of Waynesboro received funds for a bike/pedestrian facility ($100,000), and the Town of Timberville received funds for a sidewalk and bike lane on Memorial Park Drive ($50,000).

The Thunderhead Alliance, The Coalition of State and Regional Bicycle Advocacy Organizations, is working to increase the capacity, funding, membership, and strategic ability of state and local bicycle advocacy organizations, while representing bicyclists’ interests at the federal level. You can visit them on the web at http://www.methow.com/~susies/Thunderhead/.

Massanutten Regional Library has thanked us for our Club’s gift subscription of Adventure Cyclist. If you’re at the library, take a look in the magazine section for it.

An on-line "Harrisonburg City Pedestrian Survey" has been set up. Please take a few minutes to fill it out. The results will provide information to the Pedestrian Issues Committee, and will also provide some leverage for improving pedestrian safety and access. The URL for the survey is: http://oirsacs.jmu.edu/pxdx/pxdsvy.htm.

Do you have a spare bicycle someone from out of town could borrow? Kathy Dick will be vacationing in our area August 7th – 13th and would like to ride. But she won’t be able to bring her own bicycle. She is wondering if someone from the Club has one to loan her. She will be renting a car, so she can pick it up from wherever you are. If you can help her out, send her an e-mail at KathyDick@ewol.com. If you don’t have internet access, give me a call and I’ll forward your message to her.

SERVICE AND MAINTENANCE SCHEDULE FOR YOUR BIKE

Prepared by the Bicycle Barn in Houston, TX

Always listen to your bike. Any unusual sounds like a popping, grinding, squeaking sound may be a warning. The routine care for your bike will be determined by how much time you spend on the saddle. Most professionals recommend a tune-up with a drive train overhaul included every four to six months, or at least every 1000 miles. We also recommend an overhaul every nine to twelve months or 1500 to 2000 miles for road bikes depending on the riding conditions and riding style and even more frequently for off-road bikes.

Every Ride
* air pressure
* quick release on hubs
* brakes are closed

Monthly
* check axle bolt tightness on hubs
* check tires for wear, gouges, and cuts
* check tightness of cleats on shoes
* check & lube chain including chain wheels
* check tightness & condition of spokes
* wipe chain & clean build up of mud or road spray

Quarterly
* check brake cables for worn, frayed strands & replace as needed
* check brake cables for cable stretch & adjust as needed
* check cable bolt tightness
* check for brake pad wear
* tighten binder bolt if needed
* check derailleur shifting

Semi-annually
* check & tighten binder bolts on carriers or child seats
* check for chain wear
* check mounting bolts on any accessory added to your bike
* check binder bolt on handlebar
* disassemble, clean and relube hubs & pedals, replace worn parts
* have wheels trued & re-aligned if needed

Nine to Twelve Months
* complete overhaul of all bearing areas including the drive train
* realign & reposition brakes and derailleurs
* re-dish wheels
* suspension overhaul
* check fork alignment
* stay safe!
